PAGE 1 OF 3

On August 31, 2006, El Dorado Chemical Company ("EDCC") Inc. filed a Petition to Initiate Third Party Rulemaking to Amend Regulation No. 2, Water Quality Standards ("Petition"). The rulemaking was approved by the Commission through Minute Order 07-19, but was not approved by EPA. On July 7, 2010 EDCC filed a petition to re-open the rulemaking to provide public comment on additional information prepared in support of the previously enacted rule, and to rescind part of the rule, and to otherwise address EPA's comments.

The Commission's Regulations Committee met on July 23, 2010 to review the EDCC Petition. Having considered the Petition, the Regulations Committee recommends the Commission re-open the rulemaking proceeding to consider adopting the proposed revision to Regulation No. 2. The Regulations Committee also recommends adoption of the following procedures and schedule.

1. EDCC and the Arkansas Department of Environmental Quality ("ADEQ") shall file an original and one (1) copy and a computer disk in Word of all materials required under this Minute Order. This requirement does not apply to transcripts.

2. Persons submitting written public comments shall submit them to ADEQ and ADEQ will deliver the originals of all comments to the Commission Secretary at the conclusion of the proceeding.

3. EDCC will submit to the ADEQ's Public Outreach and Assistance Division ("POA"), the following:

- a. A proposed public notice to be used in mailing notice to interested persons, for publishing in appropriate industry, trade, or professional publications as the Commission may select. The proposed public notice may, in the ADEQ's discretion, be approved for use or ADEQ may choose to prepare its own public notice. The public notice shall conform to the requirements of Regulation No. 8.803. The public notice shall be published not later than 45 days prior to the first public hearing. By agreement, EDCC shall pay the costs of the newspaper publications and the costs of the appropriate industry, trade or professional publications chosen by the Commission and shall file only the original proof of publication with the Commission. ADEQ shall be responsible for mailing the public notice to all persons who have requested advance notice of rulemaking proceedings and the cost of the mailing.
- b. Fifty (50) copies of the executive summary of the proposed rulemaking.
- c. Bound copies of the Petition and all supporting documentation, the number of which is to be determined by POA
