**RE: Review and Comments  
Removal of Designated Domestic Water Supply Use from  
ELCC Tributary of Flat Creek, Flat Creek and Haynes Creek  
in Union County, Arkansas**

Dear Mr. Blubaugh:

Thank you for the opportunity to review and comment on the removal of the Designated Domestic Water Supply Use from an unnamed tributary of Flat Creek, Flat Creek and Haynes Creek to its confluence with Smackover Creek in Union County, Arkansas. This unnamed tributary appears to be ELCC Tributary, as identified on various ADEQ listings.

The removal of the Designated Domestic Water Supply Use from these reaches of Haynes Creek and its tributaries above Smackover Creek would not conflict with the Arkansas State Water Plan. If you need any further assistance, or have any questions, please contact Steve Loop at (501) 682-3959.

Sincerely,
