On August 31, 2006, El Dorado Chemical Company (“EDCC”) Inc. filed a Petition to Initiate Third Party Rulemaking to Amend Regulation No. 2, Water Quality Standards (“Petition”). The rulemaking was approved by the Commission through Minute Order 07-19, but was not approved by EPA. On July 7, 2010 EDCC filed a petition to re-open the rulemaking to provide public comment on additional information prepared in support of the previously enacted rule, and to rescind part of the rule, and to otherwise address EPA’s comments.

Arkansas Pollution Control and Ecology Commission Minute Order No. 06-009-R authorized the initiation of rulemaking. One public hearing and a 45-day public comment period were held. In accordance with Regulation No. 8, a Statement and Basis and Purpose as well as a Responsiveness Summary were prepared for Commission review.

It is therefore, ORDERED:

1. EDCC requests that the following modifications to Regulation 2 that were approved through Minute Order 07-19 be rescinded:
