RE: Tyson Foods – Waldron - 3rd Party Rulemaking Request; Docket No. 13-005-R

Dear Mr. Allison:

The Arkansas Pollution Control and Ecology Commission would appreciate it if you could provide a status update regarding Tyson Food's proposed 3rd party rulemaking at its August meeting.

Your update does not need to be lengthy – three or five minutes will likely suffice. In essence the Commission wants to know where things stand regarding the docket.

If you want to discuss this please give me a call – 682-7892. Thank you.

Sincerely,
