AND ECOLOGY COMMISSION**

**SUBJECT Regulation No. 2
(Establishing Water Quality
Standards for Surface Waters
of the State of Arkansas), City
of Huntsville Third-Party
Rulemaking**

MINUTE ORDER NO. 18-26

**DOCKET NO. 13-006-R
PAGE 1 OF 1**

Petitioner City of Huntsville's ("Huntsville") Motion for Adoption of Proposed Amendments to Regulation No. 2 is before the Arkansas Pollution Control and Ecology Commission.

This matter was taken up on October 25, 2018 and was deferred for further consideration of the proposed site specific criteria for War Eagle Creek, an approximate 15 river mile segment of War Eagle Creek from the confluence with Holman Creek to the confluence with Clifty Creek (War Eagle Stream Reach). Huntsville filed a First Amendment to Motion for the Adoption of Proposed Amendments to Regulation No. 2, which withdrew the proposed site specific criteria for the War Eagle Stream Reach. Therefore, pursuant to public notice and hearing, and in consideration of the Second Amended Petition to Initiate Rulemaking, comments received during the public comment period, the Statement of Basis and Purpose, and other pleadings, exhibits and evidence constituting the record in this docket, the Commission hereby grants the First Amendment to Motion for the Adoption of Proposed Amendments to Regulation No. 2. The amendments to Regulation No. 2, found in the Final Revised Regulation, and attached to the Amended Motion for the Adoption of Proposed Amendments to Regulation No. 2 as Amended Exhibit C, are hereby adopted.
