<b>Comments on removal of domestic water supply use from Town Branch and Holman Creek</b>	I OPPOSE the removal of the domestic water supply designated use from Holman Creek and Town Branch. Although domestic water supply use is not an existing use on these stream reaches, designated uses are meant to represent the goal of a particular waterbody. I feel strongly that the domestic water supply uses should remain a GOAL for these stream reaches.
<b>Additional comments (optional)</b>	ADEQ should be protecting (and improving) water quality.. not enabling agriculture and industry to pollute and degrade our streams, lakes, and aquifers. Please do your jobs and live up to the name of your agency. Protect the quality of our environment.
