**Subject:** Support for Change to Reg 5 and 5 APC&E

Sir

My wife and I are both in support of the changes in Regulation 5 and 6 APC&E Commission Docket#14-002-R and Docket #14003-R regarding the protection of the Buffalo National River Watershed. These new limitations need to be made to protect this natural resource.

Thank You

Kenneth A. Harrison and Sharon Lee Harrison, 937 Lakeshore Drive, Eureka Springs, AR 72631
