On February 1, 2008, Central Arkansas Water ("CAW") filed a Petition to Initiate Third-Party Rulemaking to Amend Regulation No. 6, Regulations for State Administration of the National Pollutant Discharge Elimination System (NPDES). Pursuant to Ark. The Petition has been designated as Docket No. 07-____-R.

The Commission's Regulations Committee met on February 22, 2008 to review the Petition and it recommends that the Commission institute a rulemaking proceeding to consider adopting the proposed amendments to Regulation No. 6. The Regulations Committee also recommends adoption of the following procedures and schedule.

1. CAW and the Arkansas Department of Environmental Quality ("ADEQ") shall file an original and one (1) copy and a computer disk in Word of all materials required under this Minute Order. This requirement does not apply to transcripts.

2. Persons submitting written public comments shall submit them to ADEQ and ADEQ will deliver the originals of all comments to the Commission Secretary at the conclusion of the proceeding.

3. CAW will submit to the ADEQ's Public Outreach and Assistance Division ("POA"), the following:

The proposed public notice may, in the ADEQ's discretion, be approved for use or ADEQ may choose to prepare its own public notice. The public notice shall conform to the requirements of Regulation No. 8, Section 3.1.3. The public notice shall be published not later than 45 days prior to the first public hearing. By agreement, CAW shall pay the costs of the newspaper publications and the costs of the appropriate industry, trade or professional publications chosen by the Commission and shall file only the original proof of publication with the Commission.
