Arkansas Department of Environmental Quality  
5301 Northshore Drive  
North Little Rock, AR 72118

Dear Doug Szenher:

Farmers in the Buffalo River watershed have lived in harmony for years with no harm to the area. They love the land, mountains, river, family and only want to live in peace with minimal regulation from the government. The Hog Farm should be made to operate in harmony with the remaining farmers operations and residents of the area.

Sincerely,

Arch Ryan
