Subject: Ozark Society Proposal

>

> To Whom It May Concern:

>

> I am currently in California, unable to attend the public meeting in Harrison. I support the petitioners' proposal to change the regulations 4 and 5.

>

> Because of the fragile ecology of the Buffalo River watershed and its importance to the quality of life, the economic impact of tourism to the area, and simply the morality of preserving the resources we've been given stewardship of, I believe ADEQ should make the changes recommended in this proposal.
