Dear Mr. Szenher:

I am writing to express my support for the proposed amendments to Arkansas Pollution Control and Ecology Commission Regulation 5 and 6, to ban any new medium and large confined and concentrated swine operations in the Buffalo National River Watershed. I support this third-party rulemaking because

The Buffalo is our country's first semi ~~river~~ ^{river}.
What message does it send to let it be
compromised by an industry that could
easily find other locations in the state.

Sincerely,

Elizabeth L. Wheeler
