

Mr. Doug Szenher

Dear Mr. Szenher:

I am writing to express my support for the proposed amendments to Arkansas Pollution Control and Ecology Commission Regulation 5 and 6, to ban any new medium and large confined and concentrated swine operations in the Buffalo National River Watershed. I support this third-party rulemaking because

it is an issue that affects a diverse
range of possible consequences. We are
the natural state... let's keep it that way!

Sincerely,

Humberto Margueta
