Dear Mr. Szenher:

I am writing to express my support for the proposed amendments to Arkansas Pollution Control and Ecology Commission Regulation 5 and 6, to ban any new medium and large confined and concentrated swine operations in the Buffalo National River Watershed. I support this third-party rulemaking because

*I grew up hiking along and swimming, boating the Buffalo, Big Creek, White River, Bull Shoals + Norfolk waters. Any CAFO operations would be disastrous. (I deplore that one has been allowed along the Buffalo R. <sup>river</sup>*

Sincerely,

*Jean Siskey*
