Re: Amending PC & E Regulations 5 and 6

I am in favor of these Amendments to ban  
new medium and large confined swine  
operations in the Buffalo River Watershed.

The existing swine CAFO at Mount Judca  
- which I understand these Amendments  
will not affect - is proving to ~~be~~ bad  
for everyone but the operators of the swine  
factory-farm. The Amendments will at  
least avoid compounding the problem.

Sincerely,

Kenneth L. Smith
