Patti Goff
Arkansas Pollution Control and Ecology Commission
101 E. Capitol Ave., Suite 205
Little Rock, AR 72201

Dear Patti Goff:

If the EPA, sent in to find something wrong on this hog farm, walks away saying there are no violations, then why would the PC&E Commission overreact to some group of environmental extremists who just know something terrible is happening on that farm? Why, I ask again?

Sincerely,

Teresa Smith
