Subject: Buffalo moratorium
Date: Tuesday, September 17, 2019 7:17:46 AM

I support the changes proposed by ADEQ to Rule 5 and Rule 6 that would institute a permanent moratorium on issuance of permits for medium and large swine CAFOs in the Buffalo National River watershed.

There were sound science- and economics-supported reasons for denial of permit in the first place.

Please do everything possible to prevent future damage to the Buffalo. Protection includes permanent moratorium on these CAFOs,

Barbara Moorman
