Subject: Buffalo moratorium
Date: Sunday, September 15, 2019 8:27:53 AM

I support the changes proposed by ADEQ to Rule 5 and Rule 6 that would institute a permanent moratorium on issuance of permits for medium and large swine CAFOs in the Buffalo National River watershed. In addition, please see attached photos depicting conditions of a prior visit to the Buffalo. This was our favorite place to visit until this visit. It is a shame, and an environmental disgrace that the once pristine river valley, now looks like a wasteland. Please make appropriate measures for future generations to once again, be able to enjoy the Buffalo. Thank you.
