Subject: Buffalo moratorium
Date: Saturday, September 14, 2019 9:09:51 PM

I support the changes proposed by ADEQ to Rule 5 and Rule 6 that would institute a permanent moratorium on issuance of permits for medium and large swine CAFOs in the Buffalo National River watershed.

Our greatest national resource is our vulnerable natural resources. To preserve them is to take the long view towards preserving our beautiful state and ensuring our children and grandchildren will be able to live amongst and experience the wild and grand landscape of Arkansas.
