---

I support the changes proposed by ADEQ to Rule 5 and Rule 6 that would institute a permanent moratorium on issuance of permits for medium and large swine CAFOs in the Buffalo National River watershed.

I would strongly support a permanent ban on animal confinement operations anywhere near our watersheds. I am opposed to this type of "farming" for ecological, ethical, and economic reasons. We need to take a step back and look at the broader perspective.

Thank you for allowing public comment.
