**Subject:** Buffalo River watershed moratorium  
**Date:** Sunday, September 15, 2019 8:37:42 PM

---

I support the changes proposed by ADEQ to Rule 5 and Rule 6 that would institute a permanent moratorium on issuance of permits for medium and large swine CAFOs in the Buffalo National River watershed. The Buffalo National River is recognized by Audubon Arkansas as an Important Bird Area, which in my opinion means it deserves extra protection from pollution. Thank you for working to protect our national treasure.
