I agree with rule changes  
5 & 6 for a permanent swine CAFO moratorium  
in the Buffalo National River Watershed as stated in  
Docket numbers  
#19-002-R and  
#19-003-R.

Let's help Arkansas lead the way in protecting our national rivers. The Buffalo River is the crown jewel not only in the natural state of Arkansas but America.

Let's lead the way and set a precedent in which Arkansans can be proud!

The 50th anniversary of the Buffalo River is approaching quickly  
March 1, 2022.

May the Buffalo River flow free and clean for generations to come!
