Subject: Buffalo moratorium

I support the changes proposed by ADEQ to Rule 5 and Rule 6 that would institute a permanent moratorium on issuance of permits for medium and large swine CAFOs in the Buffalo National River watershed.

Let's put a permanent stop to all activities that cause damage to our beautiful Arkansas waters and watersheds. Let's be at the top of the list of states with clean water. We need strict guidelines and laws to make this possible. Our children, grandchildren, and all who follow will thank us.

Sincerely,
Lisa Orton
