

allowing reasonable site access to Department personnel for the purpose of conducting inspections, collecting water samples and placing monitoring wells or other testing devices.

5. Nothing in this Administrative Notice shall preclude the Department from taking any form of enforcement action deemed appropriate to prevent or abate pollution of the waters of the Buffalo watershed.

6. The Department does not consider this Administrative Notice a final agency action subject to appeal or other adjudicatory review. However, any person adversely affected by subsequent actions by the Department in pursuance of the policy announced herein (e.g., through denial of a permit or initiation of an enforcement action) retains all rights of legal redress recognized by the Arkansas Water and Air Pollution Control Act.
