Subject: Buffalo River moratorium
Date: Sunday, September 15, 2019 11:02:11 PM

I support the changes proposed by ADEQ to Rule 5 and Rule 6 that would institute a permanent moratorium on issuance of permits for medium and large swine CAFOs in the Buffalo National River watershed.

If we're going to go to the expense of paying \$6 million or more to fix the mistaken C&H permit, let's tighten up the requirements and make sure we don't put ourselves in that situation again.
