Subject: Buffalo moratorium
Date: Saturday, September 14, 2019 8:39:00 PM

I support the changes proposed by ADEQ to Rule 5 and Rule 6 that would institute a permanent moratorium on issuance of permits for medium and large swine CAFOs in the Buffalo National River watershed. Never let Arkansas' natural beauty become like Florida's polluted waterways, coasts, lakes, etc. Florida chose big business/agricultural pollution over natural beauty. Never allow another hog farm in any rivershed/lake areas of Arkansas.
