Subject: Buffalo moratorium
Date: Saturday, September 14, 2019 9:11:42 PM

I support the changes proposed by ADEQ to Rule 5 and Rule 6 that would institute a permanent moratorium on issuance of permits for medium and large swine CAFOs in the Buffalo National River watershed.

The Karst soil is unsuitable for CAFO farming, and Arkansas depends on tourism. It is the Natural State. Let's continue the process towards banning this type of farming in Arkansas, especially the Buffalo River Watershed.
