Subject: Buffalo River Watershed in Arkansas
Date: Monday, September 23, 2019 10:49:34 AM

I totally oppose Medium and large hog farms in the Buffalo River's watershed. The Buffalo River is one of Arkansas's real treasures and we cannot allow it to be fouled and ruined by the large and medium sized hog operations. It is far too precious to us in Arkansas to allow that to happen.

Thanks,

Robert and Nancy Lewis
