**Subject:** Buffalo moratorium  
**Date:** Tuesday, September 17, 2019 4:38:29 PM

---

I support the changes proposed by ADEQ to Rule 5 and Rule 6 that would institute a permanent moratorium on issuance of permits for medium and large swine CAFOs in the Buffalo National River watershed.

Everyone knows that the initial permit was a huge error, and we cannot go down that path again. The karst geology and thin soils of the region demand a total and permanent moratorium on CAFOs. We must protect the Buffalo and its watershed.

Sincerely,  
Ruth Weinstein McShane
