Subject: Buffalo River watershed - permanent moratorium
Date: Sunday, September 22, 2019 12:36:53 PM

Greetings. I recently retired and moved to Arkansas with my wife because of the natural beauty of this state. My wife and I intend to remain here, enjoying all Arkansas has to offer, for the rest of our lives. I strongly support all efforts to protect and preserve Arkansas' wonderful outdoor environment, and I am writing to urge a permanent moratorium on medium and large swine CAFO's in the Buffalo River watershed. The Buffalo River is a national treasure and worthy of protection.

Thank you,
Steve Owen
