Subject: Buffalo moratorium

Come on!! This is ridiculous that people are even considering this. The Buffalo is a national treasure. My family has floated this river yearly for decades. It is obvious that this pig farm has added massive amounts of moss to the river. Stop it Now!!!!!!!!!! This is a national treasure unique to Arkansas..Save it!!!!

I support the changes proposed by ADEQ to Rule 5 and Rule 6 that would institute a permanent moratorium on issuance of permits for medium and large swine CAFOs in the Buffalo National River watershed.
