Pursuant to Ark. The Petition has been designated as Docket No. 13-007-R.

The Commission's Regulations Committee met on July 26, 2013 to review the Petition and it recommends that the Commission institute a rulemaking proceeding to consider adopting the proposed amendments to Regulation No. 6. The Regulations Committee also recommends adoption of the following procedures and schedule.

2. Persons submitting written public comments shall submit them to ADEQ and ADEQ will deliver the originals of all comments to the Commission Secretary at the conclusion of the proceeding.
3. A public hearing shall be conducted on Monday, September 23, 2013 at 2:00 p.m. The hearing will be held in the Commission Room, ADEQ Headquarters, 5301 Northshore Drive, North Little Rock or as otherwise determined by availability.
4. The period for receiving all written comments shall conclude ten (10) business days after the date of the public hearing, unless an extension of time is granted.

their November 2013 meeting. In the event the appropriate legislative committees do not complete review of the proposed rule by the above date, the Regulations Committee and the Commission will consider the proposed amendments to the regulation after review by the appropriate legislative committees. Members of the Regulations Committee may ask questions of any persons that made oral or written comments and it will make a recommendation to the Commission.

8. At the Commission meeting, the presentation of oral statements and legal arguments will be regulated as follows:

a. The Chair of the Commission will permit members of the public to make a statement to the Commission. No more than three (3) minutes will be allowed for each statement. The period for statements will close at the end of one (1) hour, or sooner if all interested persons have completed their statements. At the discretion of the Chair, the one (1) hour oral statement period may be extended.

b. At the discretion of the Chair, an attorney representing one or more individuals, a corporation or other legal entity may be permitted five (5) minutes in which to address the Commission.

c. ADEQ shall be permitted ten (10) minutes in which to address the Commission.

d. At the conclusion of all statements, the Chair will call on each Commissioner for the purpose of asking the attorneys or persons sponsoring statements who are present, any questions they may have. Attorneys will not be permitted to respond or ask follow-up questions of any person questioned by a Commissioner.

After each Commissioner has had an opportunity to ask questions, the Chair will entertain a motion on the matter, allow discussion, and call for a vote of the Commission members.

9. The Commission finds that the proposed rule incorporates the language of an Arkansas state statute without substantive change and is exempt from the economic impact and environmental benefit analysis required by APC&EC Reg. 8.812 and the small business impact analysis required by Act 143 of 2007.

The Commission accepts the recommendation of the Regulations Committee and initiates the
