**Subject:** Comment regarding Regulation 6 -Permanent Swine CAFOS Moratorium for BRW

Good Afternoon,

As a citizen of our beautiful state, I am writing to voice my support for this moratorium to protect one of our states greatest treasures. In short:

- I support a permanent moratorium on CAFOs in the Buffalo River Watershed.
- I oppose issuing any new permits for swine CAFOs in the BRW.
- Please void the four non-operational permits currently located in the BRW, so they cannot be reactivated in the future.

My greatest appreciation for your time and service to our state.

Best regards,
