- 1. What is the short title of this rule? Regulation No. 21

- 2. What is the subject of the proposed rule? Arkansas Asbestos Abatement Regulation

- 3. Is this rule required to comply with a federal statute, rule, or regulation? Yes No
If yes, please provide the federal rule, regulation, and/or statute citation. _____

- 4. Was this rule filed under the emergency provisions of the Administrative Procedure Act? Yes No
If yes, what is the effective date of the emergency rule? Not applicable

When does the emergency rule expire? Not applicable

Will this emergency rule be promulgated under the permanent provisions of the Administrative Procedure Act? Yes No

5. Is this a new rule? Yes No
If yes, please provide a brief summary explaining the regulation. Not applicable

Does this repeal an existing rule? Yes No
If yes, a copy of the repealed rule is to be included with your completed questionnaire. If it is being replaced with a new rule, please provide a summary of the rule giving an explanation of what the rule does. Not applicable

Is this an amendment to an existing rule? Yes No
If yes, please attach a mark-up showing the changes in the existing rule and a summary of the substantive changes. **Note: The summary should explain what the amendment does, and the mark-up copy should be clearly labeled "mark-up."**

6. Cite the state law that grants the authority for this proposed rule? If codified, please give the Arkansas Code citation. Ark. Code Ann. §§ 8-4-101 et seq. and 20-27-1001 et seq.

7. What is the purpose of this proposed rule? Why is it necessary?
The purpose of this proposed rule is to incorporate stakeholders' input in order to clarify Regulation No. 21. The Department also finds it necessary to propose changes to add or delete language for clarity in requirements for record keeping, training provider licenses, documents required for certifications or renewal of licenses and to correct the Occupational Safety and Health Administration (OSHA) Asbestos Construction standard citation.

8. Please provide the address where this rule is publicly accessible in electronic form via the Internet as required by Arkansas Code § 25-19-108(b).

Oct. 14, 2013

11. What is the proposed effective date of this proposed rule? (Must provide a date.)
March 28, 2014

12. Do you expect this rule to be controversial? Yes No
If yes, please explain. Because the Department has collaborated extensively with the public to craft the proposed revisions, it is not expected to be a controversial rulemaking.

13. Please give the names of persons, groups, or organizations that you expect to comment on these rules?
Please provide their position (for or against) if known.

The Department expects to receive comments from stakeholders (specifically owners and operators conducting demolition and/or renovation activities), air monitoring inspectors, construction developers, designers or any person conducting management or disposal of asbestos-containing material record keeping, interested in training provider licenses and documents required for certifications or renewal of licenses. This proposed rulemaking is the result of an extensive two-year collaborative effort between the Department and stakeholders, including public meetings from which currently proposed revisions were taken. The Department provided responses to public concerns which were raised in these meetings and maintained an online listserv for interested parties involved throughout the drafting process. However, the overall consensus on this proposed rule is unknown at this time.
