

## **ECONOMIC IMPACT/ENVIRONMENTAL BENEFIT ANALYSIS**

*Answer to best of the proponent's ability, as required by APC&EC Regulation 8, Chapter 3.5*

### **STEP 1: DETERMINATION OF ANALYSIS REQUIREMENT (to be included in petition to initiate rulemaking)**

#### **APC&EC REGULATION NO. 22 SOLID WASTE MANAGEMENT RULES NOVEMBER 2007, UPDATE**

**1A.** Is the proposal expressly addressed by a Federal requirement? No.

If yes, see 1B.

If no, an Economic Impact/Environmental Benefit Analysis is not required.

**1B.** If 1A is YES, is proposed regulation equivalent, or more stringent, or less stringent than federal requirement? **N/A**

- If equivalent – Economic Impact/Environmental Benefit Analysis is not required
- If more stringent - Economic Impact/Environmental Benefit Analysis is required
- If less stringent - Economic Impact/Environmental Benefit Analysis is not required, but does require federal agency approval prior to adoption if the proposal is part of an authorized state program.

### **STEP 2: THE ANALYSIS (to be included in petition to initiate rulemaking, if required)**

#### **2A. ECONOMIC IMPACT**

Not Required.

#### **2B. ENVIRONMENTAL BENEFIT**

Not Required.
