7. What is the purpose of this proposed rule? Why is it necessary?

The purpose of this proposal is to repeal Regulation No. 25, which is necessary action to ensure that APC&EC Regulations remain consistent with State law. Regulation No. 25 provides a framework for the regulation of lead-based paint activities by the Arkansas Department of Environmental Quality (ADEQ). The repeal is being proposed in response to the Arkansas Lead-Based Paint-Hazard Act of 2011 enacted by the 88th General Assembly of the State of Arkansas. The Act of 2011 transferred authority to regulate lead-based paint activities from ADEQ to the Arkansas Department of Health, and replaced the earlier Lead-Based Paint-Hazard Act of 1997, which originally authorized the adoption of Regulation No. 25. ADEQ no longer has any authority over lead-based paint activities, and Regulation No. 25 must be repealed to reflect the change in State law.
