Both hearings will be held in the Arkansas Department of Environmental Quality (ADEQ) Building G Commission Room, located within the Arkansas State Police Headquarters Building, No. 1 State Police Plaza. The Regulation No. 22 hearing will begin at 2:00 p.m., and the Regulation No. 27 hearing will start immediately after all comments on Regulation No. 22 have been received.

The Commission's authority for amending Regulation No. 22 is found in the Arkansas Code, Annotated, Section 8-6-201, et seq. - Changes to provisions of the "host community" requirements for landfill siting.
- Addition of a requirement for a certificate of need for solid waste transfer stations.
- Addition of a requirement to include all unauthorized wastes received by solid waste facilities in the facility Hazardous Waste Exclusion Plan, and includes a new definition for unauthorized waste.
- Clarification of requirements for the installation and use of scales at Class 1 and Class 3C landfills.
- Clarification of a provision to require Class 3 monofills must meet the Regulation No. 22 requirements for Class 3 Non-commercial landfills, rather than Class 3 Commercial landfills.
- Addition of language banning disposal of light bulbs containing mercury in Arkansas landfills after January 1, 2008.

Proposed changes to Regulation No. 27 also include minor clarifications, correction of typographical errors, and formatting changes. Substantive changes to Regulation No. 27 include:

- Increased powers and duties for the Arkansas Solid Waste Licensing Committee, including the authority to conduct inquiries in order to develop findings for advising the Pollution Control and Ecology Commission and the ADEQ on any irregularities found in the solid waste licensing program, or with individual licensees, and authority to recommend proposed sanctions to the Commission and the ADEQ regarding possible suspension or revocation of solid waste operator licenses.
- Addition of language providing for the right of appeal of any licensee whose solid waste operator license may be suspended or revoked.
