

BEFORE THE ARKANSAS POLLUTION CONTROL AND ECOLOGY COMMISSION

**IN THE MATTER OF PROMULGATION OF)
REGULATION NO. 30) DOCKET NO. 14-006-R**

MOTION TO ADOPT AMENDMENTS TO REGULATION NO. 30

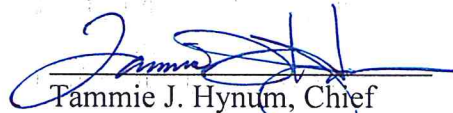

Comes now the Arkansas Department of Environmental Quality (“ADEQ” or “Department”), by and through the Chief of the Hazardous Waste Division, Tammie J. Hynum, and for its Motion to Adopt Amendments to Regulation No. 30, states:

1. On August 22, 2014, the Arkansas Pollution Control and Ecology Commission (hereinafter “APC&EC” or “Commission”) granted ADEQ’s Petition to Initiate Rulemaking to Amend Regulation No. 30.
2. A public hearing was held at ADEQ Headquarters in North Little Rock, Arkansas on September 30, 2014. The public comment period ended on October 14, 2014. No written comments were submitted. One oral comment was received at the public hearing.
3. The oral comment was received from Mr. Brad Jones, Arkansas Department of Health. Mr. Jones requested the Norphlet Chemical site be added to the list of Superfund sites due to the fact it is within one-half miles of the Norphlet Waterworks Well #3 and the Wellhead Protection Area. The Department acknowledges this comment, however, since the MacMillan Ring Free Oil, a/k/a Norphlet Chemical, was placed on the National Priority List under Final Rule #58 on or about May 8, 2014, this request had no impact on the proposed rulemaking.
4. ADEQ filed its Response to Comments before the Commission on October 20, 2014.

5. Pursuant to APC&EC Reg.8.814, ADEQ submits the following documents supporting adoption of the regulation to the Commission for its consideration:
- a. Exhibit A – Statement of Basis and Purpose
 - b. Exhibit B – Final Proposed Regulation
 - c. Exhibit C – Regulation Tracking Sheet
 - d. Exhibit D – Proposed Minute Order

WHEREFORE, ADEQ prays that the Commission adopt the Proposed Minute Order adopting the amendments to Regulation No. 30.

Respectfully submitted,

Tammie J. Hynum, Chief
Hazardous Waste Division
Arkansas Department of Environmental Quality
