Persons who perform Phase I environmental assessments; comprehensive site assessments pursuant to the Arkansas Hazardous Waste Management Act, Remedial Action Trust Fund Act, or Voluntary Cleanup Act; and response actions pursuant to the Arkansas Hazardous Waste Management Act, Remedial Action Trust Fund Act, or Voluntary Cleanup Act are required to obtain certification under this regulation. The regulation will require these persons to pay fees for application for certification, exams (if applicable), and biennial renewals. The projected cost does not include the cost to certificate holders for the continuing education requirements of this Regulation as those will be dependent on the type of continuing education training selected by the certificate holder and may be duplicative with other professional registration requirements.

5. What is the total estimated cost by fiscal year to the agency to implement this regulation?
