

How to Access the RST Operator Application Form

1 Click "Start a New Form"

The screenshot shows the 'UAT SEEK External' application interface. On the left is a sidebar with a dark header and a light gray body containing various menu items: Home, Dashboard, Start a New Form (which is highlighted with an orange circle), Submissions, Permits, Evaluations, Non-Compliance Items, Compliance and Enforcement Actions, Financials, and Documents. The main content area has a light gray header with the text '(All)'. Below this are tabs for Priority (12), Upcoming (7), As Needed (0), Draft (7), To Be Signed (3), and In Process (19). The main content area is titled 'HIGH PRIORITY' and lists several items:

- Permit EO-00001 v13.0 · Solid Waste Licensing (Elizabeth Hoover): Status is 'PERMIT EXPIRED'. A message says 'This permit expired on 06/30/2016. Browse forms to see available permit actions.' There is a 'Forms' button.
- Schedule HQ9-M18T-ZW2NZ on Permit RST44001609 v1.0 · RST - Contractor Closure Report (HILLTOP QUIK-STOP): Status is 'REQUIRES RESUBMISSION - ACTION NEEDED'. There are 'Open' and 'Download' buttons.
- Schedule on Compliance Action CAO-25-0067 · Non-Compliance Items - Response Form (FAST TRAX #5): Status is 'OVERDUE > 30 DAYS'. A message says 'The schedule was due 02/10/2025.' There is a 'Begin' button.
- Schedule on Compliance Action CAO-25-0013 · Consent Administrative Order - Approval Form (Josie Payne Construction Casa Inc.): Status is 'OVERDUE > 30 DAYS'.

RST Class A/B Operator Application
VERSION 1.2

INSTRUCTIONS

All UST owners/operators must designate at least one certified Class A, B, and C operator for each underground storage facility. Class A and B operators can be certified through an approved exam and/or training program with exam. Class C operators can be certified through an approved training course or training provided by a certified Class A or B operator. DEQ will provide a Class C operator training guide to certified Class A or B operators. One individual may hold all three classifications.

Three Classes of Operators

Class A - An owner or employee with primary responsibility to operate and maintain the UST tank system

Class B - An owner or employee who oversees daily operation and record keeping of the system

Class C - An employee who is responsible for initiating the emergency response procedure when there is an alarm or other indication of emergency

If you have any questions, please call the RST Licensing Division at 501-682-0993.
