Ms Allison,

I notice upon review that neither the Alliance's Request for Injunction, its withdrawal and Dismissal, nor Mr Mays' letter of Sept 6 are posted. In the interest of transparency I request that all public documents pertaining to the investigative drilling be posted on both the BBRI web page as well as the Permit Information pages for permit 5264-W and/or ARG590001.

That you,  
Gordon Watkins

> Please post Letter of Technical Deficiency dated Sept 2, C&H's response, and ADEQ's subsequent acknowledgment dated Sept. 7 stating that the state will pay for drilling with a projected drilling date of Sept 19, as well as any other documents related to this project. Please post these documents on the appropriate Permit information pages as well.
