

Feb. 21st, 2016  
Arkansas Dept of Environmental Quality  
Water Division 5301 Northshore Dr.  
North Little Rock, AR 72118

Dear Jim Wise and Director Keogh,

I request that the three streams (Bear Creek, Mill Creek and Big Creek) of the Buffalo River be placed on the "Impaired Waterbodies" list (303(d)) of the Clean Water Act.

~~Dear~~ We need to protect our Land in Arkansas. Save the Buffalo River before it is too late.

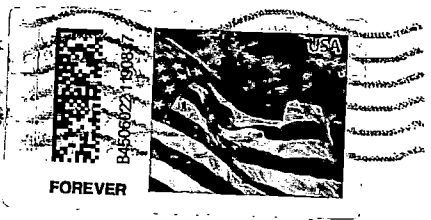

Amanda Cooper
