Sarah, Tate, and Mary,

Good morning. In the Management Team Meeting we were requested to send any information/complaints that pertain to the recently released 303d list to you all so you are aware. Below is a complaint received by the OLR. Let me know if you have any questions.

Thanks,

Jason Bolenbaugh

My mistake Joy! I meant to send to Kerri McCabe in the email below but it seems outlook likes to finish names as it seems fit. My apologies and I will pay closer attention in the future.

Thanks,
Chris k
