Subject: Contamination in Big Creek and the Buffalo River
Date: Sunday, September 9, 2018 3:02:31 PM

Dear ADEQ:

I believe that Big Creek and the Buffalo River should be designated as "Category 5" to ensure that an investigation will be made to determine the source of contamination. That way it can be addressed.

Arkansans need to know.

Sincerely,

Kenneth Carle

1693 Lick Fork Road

Marshall, AR 72650
