To Mr. Nate Olson, AEDQ

Dear Mr. Olson, September 5, 5:55 pm

first and foremost I want to thank you for offering to me as a landowner to send the material - clear maps, plans, and descriptions of the contested C&H Hog Farm.

Owning land in Crawford County, I am concerned about direct damages.

Secondly, there's urgency. We just learned that the AEDQ has set a deadline of September 10, 2018, to enter comments on the "Impaired Waterbodies - 303(d) List" of FY 2018, Please, let your map be more detailed in scope than the downloadable 303(d) StoryMap on AEDQ's website regarding the 303(d) List

Sincerely,

Patrick Horan Patrick Horan, P.O. Box 10311, Fort Smith, AR 72917
