**Subject:** Buffalo River watershed area

Dear gentleman and ladies,

I love this great State of Arkansas. We have a beautiful natural environment here.

I am begging you to think about stronger and enforcing measures on protecting Big Creek and the Buffalo River area 5. I am sending this quick message to ask you on the benefit of the Buffalo to protect her!! At all costs. No other river is our national treasure like she is. We must keep her clean!

Sincerely and pray,

Patti Williams
